COMMUNICATION FOR EXAMINER'S CONSIDERATION

The Examiner's attention is called to the following *update* of the previously presented Table of technically related U.S. patents and pending applications of Applicants' assignee. The current status of each application as reported in the PAIR database is given in the right-hand column. Each of the published U.S. applications and patents has been listed on a form PTO-1449 attached to previously filed Information Disclosure Statements.

It is assumed that the Examiner has ready electronic access to each of the listed U.S. applications, but the undersigned will provide a copy of any document from these files if requested by the Examiner.

Updated Table of Technically Related Applications of Applicants' Assignee
